

RULE 2-2.3 - Minimal Requirements for Civil Appellate Record

THE COURT OF APPEAL, SECOND CIRCUIT

While parties may designate portions of the record on appeal under the authority of C.C.P. Art. 2128 and URCA 2-1.17, the following items shall be included in the record when pertinent to the case being appealed regardless of the written designation by parties:

1. Petitions - original, supplemental and/or amending naming all parties
2. Answers and cross-pleadings
3. Signed pauper order, if claimed
4. Any judgment which dismisses a party or parties to the suit (partial judgments under La.C.C.P. Art. 1915)
5. All signed final or partial judgment(s) complained of (being appealed) and any reasons for judgment (transcribed oral reasons or written reasons)
6. All notices of judgment(s)
7. Motions for new trial or judgment notwithstanding the verdict
8. Disposition of new trial or judgment notwithstanding the verdict motions
9. Notices of new trial or judgment notwithstanding the verdict dispositions
10. Motion(s) and order(s) for appeal, notices of return date and/or proof of costs paid
11. Motions/letters requesting designation of the appellate record if such request was made, and the concise statement required by La. C.C.P. Art. 2129.
12. Motion(s) and signed order(s) of consolidation if applicable (copies of order should be placed in both records)
13. All minute entries required by Rule 2-1.5
